NCKU Moodle Instruction Manual

“My Home” collects all courses you enrolled, notifications of activities and customize the layout of this page.

I. Enter “My Home”

1. Login moodle and click the “My home” link in the Navigation block.

The screenshot displays the Moodle LMS interface for National Cheng Kung University. The header features the university's name in Chinese and English, along with the user's login status: "You are logged in as 試用帳號10 (Log out)". A language dropdown menu is set to "English (en)".

The main navigation block on the left includes the following items:

- Home
- Courses
- Navigation
- Home
 - My home** (highlighted with a red dashed box and a red arrow)
 - My profile
- Administration
 - My profile settings
- Main menu
 - 最新消息與公告
 - 瀏覽建議
 - 教師版_使用教學

The central content area displays the "FAQ Moodle常見問題" (FAQ Moodle Common Questions) section, listing several frequently asked questions with links to their respective answers. A "more..." link is provided at the bottom of the list.

The right sidebar contains the "Moodle Mobile" section, which includes a link to the Android app on Google Play, a link to the "APP安裝教學影片" (APP Installation Tutorial Video), and a link to the "行動版網頁介紹影片" (Mobile Website Introduction Video). Below this is the "研討會訊息" (Seminar Information) section, listing two events: "2015-10-01 成大數位影音雲 MyTube操作說明會" and "2015-10-02 我是導演-手機拍片輕鬆入門".

A red banner at the bottom of the page reads "登革熱防疫專區" (Dengue Fever Prevention Special Area).

2. Enter “My Home” page

II. Course overview and activities

“Course overview” block will list all courses which user has enrolled. User can use drop-down menu to select the semester. The activities of each course will automatically remind, such as the new article in the forum or homework submission message.

【Note】 In student’s view, only list the course which teacher has opened.

For example, the system shows the number of unread articles in forum. User can link to the discussion subject by clicking the name of the forum.

Discussion	Started by	Replies	Unread ✓	Last post

III. Calendar Event Aggregated

Teacher can create calendar block and add event which the course belong in , if the course activities have a deadline it will be automatically marked in the calendar.

The calendar in “My Home” will aggregate calendar event for all courses.

In the calendar, if that day contain an event it will be marked with color. Moving the mouse to the date will display the content of the event.

IV. Setting My Home

"My Home" has created several blocks by default, user can customize the layout of this page by click the button "Customize this page" to add new block and adjust the position of each block.
